Verse 1

G Em
You must have read my mind
Am7 C D
It's an open book for you

Now you know what I've been thinking
Am7 C D
And I know what you've been doing
G Em
You've been planning
Am7 C D
You've been scheming
G Em
When I wasn't looking
Am7 C D
You took my heart to keep

Chorus

G6 F6
Keep my heart if you want to
G6 F6
Wear it out on your sleeve
G6 F6
Do with me what you want to
G6 Am7
You touch every place in my heart
G6 F6
Keep my heart if you want to
G6 F6
Keep it safe while we're apart
G6 F6
Then come on home, home to me baby
G G D7
I want to rock you in these arms

Verse 2

G Em
So many never never know
Am7 C D
Never know a love complete

When you come home, home to me
Am7 C D

So hurry, hurry please
Am7 C D
Let me rock you in these arms

Hurry, hurry home
Am7 C D
Let me rock you in these arms

Keep my heart if you want to
G6 F6
Wear it out on your sleeve

Do with me what you want to

Cause You touch every place in my heart

Keep my heart if you want to
G6 F6
Keep it safe while we're apart
G6 F6
Then come on home, home to me baby
G G D7
Let me rock you in these arms

Bridge Over Verse 3

G Em
The thought of you leaving

Leaves me weak and weeping

So keep my heart if you want to
G6 F6
Wear it out on your sleeve
G6 F6
Do with me what you want to
G6 Am7
Cause you fill my heart in every way

So keep my heart if you want to
G6 F6
Keep it safe while we're apart

Then come on home, home to me baby
