

Smile

Eric Myles Project
2019

Verse 1

oh ah ha... oh ah haaa
oh ah ha... oh ah haaa
(Give a little smile...)
Oooh ah ha... Oooh ah haaa
(...and it will come back to you...)
oh ah ha... oh ah haaa
(Then you will know what lovin's all about)

Verse 2

...Put something in your smile,
A little spice, is really nice...
A twinkle in your eye...
A tiny grin... come on don't be shy

Verse 3

Oooh... It's a crazy crazy world
Every day is unpredictable...
Turn a frown upside down...
You know a smile will make it right

Bridge (Guitar Solo Over Verse Chords)

oh ah ha... oh ah haaa
oh ah ha... oh ah haaa
(Give a little smile...)
Oooh ah ha... Oooh ah haaa
(...and it will come back to you...)
oh ah ha... oh ah haaa
(Then you will know what lovin's all about)

Verse 4

Stop! and think what really matters
Family friends and loved ones gather
Give a smile and hold them closer
Glad you did when you get older

Verse 5

Put aside the day to day
Memories have a way to fade away
Give a smile and hold them closer
Glad you did when you get older
